THE PINK PALM HOTEL

The background of the entire page is a vibrant tropical scene. In the foreground, a brown wicker hammock hangs from ropes, partially obscuring the view. Below it, a swimming pool with clear blue water is visible. In the background, there are lush green palm trees and other tropical foliage under a bright blue sky. The overall atmosphere is relaxed and luxurious.

ABOUT US

We are a boutique luxury hotel nestled in the heart of the old town area of Saint Thomas US Virgin Islands. Our location in the downtown neighborhood of Charlotte Amalie is home to a variety of local businesses and tropical beaches that make for the perfect Winter vacation. Our property features an outdoor swimming pool, jacuzzi and multiple curated gardens throughout the space set into the hillside overlooking the harbor.

Each of the 28 rooms have a **unique** layout with a bedroom, sitting area, thick curtains, bedside table, wardrobe, mini refrigerator, and in-room coffee machines. The rooms also have smart TVs, free high-speed internet. The greatest highlight of the stay would be the gorgeous water view that can be enjoyed from many of the rooms and the poolside common area.

Please note: In order to access the rooms and to the different hotel areas, you are required to climb several flights of stairs- Although there is some street parking, we highly recommend not renting a car due to the limited space available.

The Pink Palm Hotel is located right in the heart of the Saint Thomas downtown area. Guests can shop, eat, drink, and spend the night-all within walking distance, just a few steps from the hotel's main entrance.
